EXCELLENT INSULATION

The insulation capacity is elevated by up to 50% compared to conventional building materials

PREMIUM MATERIALS

Our KITs are comprised of top-tier components and materials, ensuring superior quality and finishes

SUSTAINABILITY

Our KITs are made from renewable materials and produce less waste than traditional construction methods

The 41.2 m² open-concept living and dining area serves as the heart of the home, with large windows flooding the space with natural light and offering views of the surrounding landscape. The kitchen seamlessly integrates into the living area, providing a perfect setting for family gatherings.

Each of the four bedrooms offers ample space and comfort. The 14 m² master bedroom is a serene retreat, complete with abundant storage. The additional three bedrooms, ranging from 9.5 m² to 14.1 m², provide flexibility for family members, guests, or a home office.

The home also features well-appointed 1.5 bathrooms ensuring convenience and functionality.

Adding to its charm is a covered terrace, perfect for outdoor dining or simply relaxing while enjoying the views in any weather.

This home combines style and functionality, offering a comfortable and flexible living environment that can adapt to your changing needs.
